and Members, Board of County Commissioners

Agenda Item No. 9(A)(1)

**From:** Carlos A. Gimenez  
Mayor

A handwritten signature in dark ink, appearing to read "Carlos A. Gimenez".

**Subject:** Resolution Authorizing the Execution of a Memorandum of Agreement Between Miami-Dade County and the Community Human Service Foundation Non-Profit, Inc. DBA Community Action Agency (CAA) Foundation, for the Lease of One (1) Wheel Chair Accessible Mini-Bus

## RECOMMENDATION

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the County Mayor or County Mayor's designee to execute the standard Memorandum of Agreement (MOA) identified as Attachment A, between Miami-Dade County, through its Community Action and Human Services Department and the Community Human Service Foundation Non-Profit, Inc., a not for profit Florida Corporation, DBA Community Action Agency (CAA) Foundation, for the lease of one (1) new disabled equipped and wheelchair accessible mini-bus. The leasing of the vehicle will expand the Community Action and Human Services Department's ability to provide transportation services to eligible disadvantaged disabled individuals.

## SCOPE

The impact of this Memorandum of Agreement is countywide.

## FISCAL IMPACT/FUNDING SOURCE

There is no fiscal impact to Miami-Dade County for the provision of these services. There are no administrative costs associated with the lease and no local match required by Miami-Dade County. The CAA Foundation desires to transfer the aforementioned mini-bus to the Community Action and Human Services Department for the transporting of disadvantaged disabled individuals at the cost of one (1) dollar (\$1.00) per year, for a period of five (5) years; with the option to extend the lease through the vehicle's productive life. At the end of the leasing period, with the Florida Department of Transportation's authorization, ownership of the vehicle will be transferred to the County, at no additional cost to the County.

## TRACK RECORD/MONITORING

The Community Action and Human Services Department has successfully leased vehicles from the CAA Foundation, since 1998. The Community Action and Human Services Department's Transportation and Fleet Management Unit Coordinator, Kent Cheeseboro, will be responsible for assuring all aspects of the agreement are complied with in accordance to the Florida Department of Transportation's reporting and auditing procedures.

**BACKGROUND**

The CAA Foundation (herein after referred to as the Foundation) is a not-for-profit Florida corporation; composed of members from the Community Action Agency (CAA) Board and private entities. The Foundation uses its resources (e.g. grants, donations, contributions, etc.) to assist the Community Action and Human Services Department's clients with needs that cannot be met through its programs or traditional public assistance programs; including, but not limited to the purchase of food, clothing, medicine, rental assistance and transportation.

In July, 2013, the Foundation was awarded a grant to purchase one (1) disabled and wheel chair accessible mini bus under the FDOT, Federal Transit Agency (FTA) Program. The Florida Department of Transportation precludes government entities from applying for this type funding, thus the Community Action and Human Services Department's was not eligible to apply directly for the funding. The Florida Department of Transportation authorized the Foundation to purchase a new, disabled-equipped and wheel chair accessible mini bus; the Foundation subsequently took ownership of the vehicle on December 23, 2013 from the manufacturer.

The Foundation desires to lease the newly acquired vehicle to the Community Action and Human Services Department for \$1.00 per year for a period of five (5) years, with the option to extend the lease through the vehicle's productive life. At the end of the lease period and/or the productive life of the vehicle, the Foundation will request release of lien from the Florida Department of Transportation; upon approval from the Florida Department of Transportation, the Foundation will transfer ownership of the vehicle to Miami-Dade County. Pursuant to the FTA Transit Vehicle Inventory Management Vehicle Useful Life Standards, the Florida Department of Transportation has classified this new mini bus as a Type D, Transit Bus and mandated that the unit has a useful life of at least 150,000 miles.

It is recommended that the County lease this vehicle from the Foundation to expand the Community Action and Human Services Department's current capacity for providing transportation services to disadvantaged eligible clients.
